

pressurebalance™ all natural resveratrol complex

clinically proven MegaNatural®-BP for healthy blood pressure levels* within the normal range

- MegaNatural®-BP - Clinically proven to help support healthy blood pressure levels* within the normal range.
- Resveratrol - Standardized from *Polygonum cuspidatum*, one of the richest sources of heart-healthy resveratrol.
- Highly bioavailable, crystal-free, heart-healthy CoQ10 in liquid form.

High blood pressure (hypertension) is often referred to as the "silent killer." Clinical studies have proven that 150 mg of MegaNatural®-BP helps support blood pressure levels within the normal range.* PressureBalance™ combines this scientifically validated grape seed extract with other targeted, heart-healthy ingredients in a special 100% vegetarian liquid delivery system, Licaps®.

MegaNatural®-BP is a low molecular weight pure grape seed extract with a unique patent-pending structure for potentially greater absorption that is manufactured using a patented water extraction process. Clinical studies have demonstrated that 150 mg of MegaNatural®-BP, the same amount found in PressureBalance™, helps support blood pressure levels* within the normal range.

Polygonum cuspidatum is one of the richest sources of resveratrol. Resveratrol, along with other wine polyphenols, is thought to be responsible for the so-called "French Paradox," which is attributed to the frequent consumption of red wine. The French Paradox refers to the findings that the rate of heart disease in France is lower than observed in other industrialized nations with a similar risk factor profile. Supplemental resveratrol provides the benefits of red wine without consuming alcohol.

Several factors can impact the body's ability to absorb and utilize supplemental CoQ10, including the formation of crystals when commercially produced. PressureBalance™ includes only crystal-free CoQ10, providing superior bioavailability and solubility. A clinical study has shown that crystal-free CoQ10 delivered via Licaps® is 30% more bioavailable than other CoQ10 dosage forms.

Red Wine concentrate, plus Olive fruit and Artichoke extracts are added to provide Mediterranean factors and further supports cardiovascular health.

Employing a unique, patented manufacturing process, Licaps® utilizes a vegetarian capsule that quickly releases the liquid contents to help facilitate effective absorption of nutrients. Licaps® improves the solubility and bioavailability of ingredients.

PressureBalance™ is potency-enhanced with Futurebiotics BioAccelerators™. Clinically-proven Bioperine® (*Piper nigrum* extract) improves nutrient bioavailability, while our proprietary natural compound of Ginger extract, Trikatu and super-potent Digezyme® boosts digestion and absorption.

PressureBalance™ - taking inspiration from Nature. This 100% vegetarian product has an aromatic botanical essence added, along with complementary traditional Mediterranean factors including Red Wine concentrate and Olive fruit and Artichoke extracts.

Glass packaging extends natural freshness and helps maintain potency.

Supplement Facts

Serving Size 1 Capsule

Servings per Container: 30

Amount Per Serving		% Daily Value
MegaNatural®-BP Grade Seed extract (standardized for 90% polyphenols, as proanthocyanins)	150mg	†
<i>Polygonum cuspidatum</i> extract (standardized for 50% resveratrol)	55mg	†
MegaNatural® Red Wine concentrate (standardized for 25% polyphenols and 8% anthocyanins)	25mg	†
Olive fruit extract (standardized for 15% polyphenols and 6% hydroxytyrosol)	25mg	†
Artichoke leaf extract (standardized for 5% cynarin and 3% chlorogenic acid)	25mg	†
CoQ10 (Ubiquinone)	15mg	†
Futurebiotics BioAccelerators™: Bioperine®, Ginger root extract, Trikatu, Digezyme®	20mg	†

† Daily value not established

Other Ingredients: Extra Virgin Olive Oil, Beeswax, Vegetable Cellulose, Mixed Tocopherols, Chlorophyll, Ylang Ylang Oil. **Contains traces of soy.**

Directions: As a dietary supplement for adults, take 1 capsule daily with a meal.

Do not use if you are pregnant or nursing. Keep out of reach of children.

Contains absolutely no added yeast, sugar, salt, starch, corn, wheat, gluten, dairy, artificial colors or preservatives.
